Dear colleagues,

The Board of the German Society of Dental Implantology (DGZI) is very glad to welcome you in Dubai. We have expanded our services and activities in this field since 1970 to the entire world and particularly in the past few years to the Arab countries; the international section was established, and this successful meeting is a result of the international friendships between all our members.

A comprehensive scientific program is prepared for you to share the experiences and modern techniques of the opinion leaders in this field from many different countries. The representatives of the DGZI in the different Arab countries together with the examination committee of the specialist Implantology of DGZI, the German Board, will meet with the participants from all over the world, to have a great enjoyable scientific and social program.

Hope you will enjoy your stay in Dubai!
